The sources said that the cabinet had asked officials concerned to prepare a draft bill/ordinance to amend PASA Act. "The amendments will include

introducing new categories of crimes. Criminal activities like sexual assault, cyber frauds and gambling will be brought under PASA Act. The amendments will be in the form of a bill in the assembly or as an ordinance, "axid a source.

velopment said that the most significant change proposed was a shift of authority from the administrative department to police department in invoking PA-SA against an accused. "Currently detention orders under PASA are issued by district magistrates in districts where there are no police commissionerates. Now, an IG level officer will get powers to take action under PASA," said a senior officer close to the development.
